Risk Assessment

Authorise by: Renato Pires	Scope of Work: Magician	Issue Date: 01/01/22
	Review Date: 09/01/23	Next Review Date: January 2024

Hazard	People at Risk	Risk Rating	Action Taken	Notes
<u>Trapped fingers, bumps, knocks and scrapes when setting up.</u>	Children	High	Keep children away when setting up. Do not allow children "back stage" or to assist with props.	
<u>Electric Shock</u>	Performer and assistants	High	Carry out visual check on electrical equipment before use. Do not perform with bare wires faulty plugs etc. Do not permit liquid near the electrical equipment.	
<u>Injury caused by falling objects</u>	Staff and public	High	Ensure backdrops	Tables and props are secure. Do not allow staff and public into the performance area unless invited by the magician.

<u>Choking</u>	Young Children	High	Do not give small prizes	Balloons or objects to children under the age of three.
<u>Tripping and falling</u>	Public and entertainers	High	Keep area tidy. Store boxes and bags neatly without risk of them falling or being walked into. Keep walk ways clear. Do not lay cable in walk ways unless covered or taped down	Event organiser must ensure the performers have an enclosed dedicated space to work in.
